DISCUSS PLANS TO RESTORE PEACE ON MEXICAN BORDER

American-Mexican Joint Commission in Session at New London Listen to Suggestions of General Bliss.

NO CONCLUSIONS REACHED

American Members Consider Advisability of Proposing System by Which Mexican Troops May Be Allowed to Cross Line in Pursuit of Bandits.

New London, Conn., Sept. 13.—Sug- gestions as to what methods shall be employed to establish peace on the Mexican border were submitted to-day to Major-General Tasker H. Bliss, U. S. A., by the American members of the American-Mexican joint commission. The officers' opinions were sought on subjects ranging from the wisdom of withdrawing American troops from Mexico to the possibility of creating an international police to guard the border. No conclusion, however, was reached by the commissioners, who will continue to-morrow their conference with General Bliss.

The joint commission dealt to-day wholly with questions raised by tax- ation decrees issued by General Carranza which affects American controlled mining properties in Mexico. An exhaustive study of the situation was begun which will be carried on to-morrow. The Mexican commissioners explained in detail the purposes of the decrees and the theories on which they were founded, insisting that they were designed to promote the mining industry, not to drive out American capital and confiscate its holdings. In their conference with General Bliss the American commissioners took under consideration the advisability of proposing such a system of border patrol that a portion of the Mexican troops now engaged in this duty would be released for the pursuit of bandits at a distance from the line. They considered also the attitude of Americans living along the border, as reported by General Bliss, and obtained from that officer estimates as to the number of soldiers it would be necessary to employ to put into effect any of the plans that have been suggested.

THE COUNTY NOMINATIONS

Returns from Williston, received yesterday, failed to change the result of the county primary announced in yesterday's Free Press. The nominees for senator are Dr. D. C. Hawley, H. S. Beck and M. S. Vilas of Burlington and H. H. Wheeler of South Burlington. Assistant Judge H. W. Tracy of Shelburne is renominated, and for the other judgeship W. H. Adair of Burlington has a plurality. Also obtained from that officer of Burlington, with C. H. Hayden of Jericho a close third. Allen Martin of Essex is nominated for State's attorney over E. M. Horton of Burlington and L. D. Latham of Milton, while Sheriff J. H. Allen is an easy victor over E. J. Walker of Burlington. There was no opposition to the renomination of R. A. Norton of Huntington as high sheriff or of J. H. Macomber as judge of probate.

POULIN RENOMINATED. Rutland, Sept. 13.—Returns in this county on the result of Tuesday's primary were in very speedy and it was not until late this afternoon that the figures from some of the smaller towns were gathered and the result in the warmest State's attorney fight that the county has ever known was definitely determined. C. V. Poulin of this city, the incumbent, had only 87 votes to spare to secure renomination. The result was: Poulin 2351, John S. Battles, Brandon, 284; George M. Goldard, Rutland, 1257.

Quebec, Sept. 13.—Another victim was added to the list of killed in the Quebec bridge tragedy of Monday, bringing the list of dead up to 13.

NEW MINISTER FROM GREECE. Athens, Sept. 13.—The official Journal to-day publishes the nomination of D. C. Calamandaris as Greek minister to the United States.
